THE 1970
STOCKTON HIGH SCHOOL
"TIGER"

The Yearbook Staff (pictured above) is proud to present to you this year's edition of the "TIGER". Much time, effort, and expense has gone into the preparation and publication of this book and we have attempted to record the important events that have occurred throughout this school year.

It is our sincere hope that you will enjoy this yearbook and that you will cherish and treasure it more and more as the years go by.

To get the most enjoyment from your TIGER yearbook:

1. Open your TIGER and glance hurriedly through it.
2. Turn to the class section to find your picture.
3. Get mad because it looks so much like you.
4. Cuss the Editor and all of the Staff because they spelled your name wrong.
5. Thumb through the TIGER to see how many times your picture appears.
6. Wonder where that awful looking snapshot came from.
7. Thumb through the entire TIGER again, but slower this time.
8. Think to yourself, "Have I missed anyone?"
9. Wonder why you ever squandered $4.00 for the thing.
10. Think now--wasn't it REALLY worth it?

DEDICATION

MRS. BESSIE O'CONNOR DARLING

We, The Students of Stockton High School wish to dedicate the 1970, TIGER to Mrs. O'Connor who was our guidance counselor and teacher for eight years. She was loved by everyone, she loved everyone, and she was never too busy to give a helping hand whenever it was needed. We miss you, Bessie, and wish you all the happiness in the world in your new and exciting future as a homemaker.

CLASS PROPHESY

May 1980

Dear Mr. Scoot:

After many years of extensive research we have finally compiled the information that you requested on the activities of the 1970 graduates of Stockton High School. SANDRA RICHARDSON is now starring as the Petunia in the Broadway production of "I'm a Lonely Little Petunia in An Onion Patch." IRENE STRUTT is co-starring as the onion patch. SHELIA STICE and CASSIE HAGEMAN make nightly performances in Bob's Back Room teaching the Beer Barrel Polka. DONNIE LOWRY is now Chief Justice of the Supreme Court and is working to remove the speed limits from our nation's highways. Senator PAM DEAN from Kansas is heading impeachment proceedings against him. RICK LOWRY and BUB CADORET have turned the library of SHS into a Pool Hall and the students now spend their noon hour relaxing there. MERL DUNNING, formerly of Stockton, has bought an interest in their pool hall and has opened a branch in the Morland High School. At last report, JOHNNY EADES was in the hospital recovering from a broken toe he sustained when he tripped over his floor-length hair. His hospital room is just across the hall from PHA BAXTER who fed herself through a computer in an attempt to analyze herself. She got her answer, but the result was very painful. Nurse KATHY KRELLER has her hands full caring for BARBARA MORRIS who is recovering from a breakdown she suffered after her recent victory in the "Housewife of the Year" contest. Apparently, the judge was partial to burned bacon. ANNA HAZEN is trying to produce a turkey big enough to feed the world for Christmas dinner. GALE MADDY, vo-ag major, is working rapidly to grow enough potatoes in time for Anna's dinner. RICK SANDERS, the most eligible bachelor in America, is now making his latest movie, "Baby, Let Loose." BECKY MELTON, singing sensation, has just released her version of "You Keep Me Hangin' On." ALAN STEWART, motorcycle racer, has taken the place of Sammy Tanner and calls himself "The Flying Can." His latest record release is "Pop--What a Happy Sound!" DAVID ELLISTON has been nominated for President of the Cuss, Smoke, and Drink Club. His experience in another executive position has qualified him for this job. We haven't been able to verify the rumor of hanky-panky between him and his secretary, VICKY SMITH. GARY BAXTER has become the World Champion Snooker Player. It is rumored that he made his start here in Stockton. SUSAN ATWILL has patented a new ice-cream flavor. She's calling it Tutti-fruitti Riffel. As a variation she serves it with nuts. DEBBIE BOBBITT has just made her first million on her sure-fire cure for hickies. We understand that PATTY ATKISSON, who just opened her own flower shop, recently had a narrow escape when she was attacked by a Venetian Fly Trap. Fortunately, her assistant, JANICE HUNT, pulled her out just in time. Opera star, KAY HARDING and her accompanist DENISE CUNNINGHAM are now making a world tour after winning the grand championship of Ted Mack's Original Amateur Hour. MICKEY HAINES and MIKE BRECKENRIDGE, now owners of a chain of supermarkets, have just hired STEVE TIMMONS as their carry-out boy in their Stockton store. Mike left his carry-out career for better things after he finally learned to put the groceries in the right car. GREG ROBINSON, Hollywood film producer, has just received an Academy Award for his movie "Oscar." TOM NICHOL, now touring the country with his famous band, "Tom and his Big Beats" features a tuba duet by DOUG CUNNINGHAM and CURTIS McCALL, a trumpet solo by JIM KEE, and, as a special feature, bubble-dancing MARK KOLLMAN. MARY JACOBS, now fastest operator around, handles all the important calls to CINDY LOWE, who cuts all the meat for the President. ANN WINGFIELD, bodyguard of CURTIS McCALL, has established a reputation as being handy with a knife. She is responsible for Playboy Club President, BOB VAN EATON'S recent accident. DEANN KING has monopolized the Love Bead Industry because she has the only factory in this part of the country. HELEN DIBBLE is now on the list of the Ten Most Wanted Criminals because she embezzled several million from the Woodston Bank. JERI KEISWETTER is now the main side-show attraction of the Ding-a-ling Brothers Circus where she swallows everything from bugs to toilet paper. At the last report from our African missionaries, KAROL FARR and BARBARA OSBORN, they were camping on the dock so they wouldn't be late for the NEXT boat. KATHY POORE after being the first woman to attend the Air Force Academy has decided to further her career in the Air Force. After his disappointment in high school, KENNY KNIGHT, went on to college and became the fastest two-miler ever. ROSALEE SPRICK, detective for Stockton Police, has finally caught JOHN GREGORY and RICK GAGER in the act of painting the water tower. JAN PHELPS, so much impressed by her trip to Washington D.C. as a Senior, decided to continue in politics and has become the first Lady President. LINDA NIERMEIER, school teacher, is using her new policy of substituting the students' milk break with a "Bud" break, so they will get a higher level of education. BARBARA YOST has just set a new record forwalking around the world, her trainer, DARLENE GREEN, went along to row her across the wetter places. STEVEN HUNTER was declared the winner of this year's Indianaoplis "500", but on second count it was found that he was one lap short. It seems that his mechanic, SYLVESTER PALMER, forgot to count one of his toes. Earlier this year RON KELSO, MARK LESAGE, and BILL PETTIJOHN were kidnapped by Martians for subjects of scientific study, but after a few tests, they have offered the Earth a fabulous sum to take them back. HOWDY WEBSTER, a member of Mod Squad, is hunting down BILL SCHMITZ who did away with Budweiser during his high school days. JOHN PEKAREK and GARY SCOTT have been given the annual FICKLE FINGER OF FATE award, for each having won the Augusta Masters Golf Tournament five times during the last ten years. MIKE (Moose) MUIR was just drafted to play pro football, and now his trainer, MIKE MORRISSEY, has his job cut out for him getitng Moose in shape to play. ROLAND KRILEY is now performing with the Thrillcade. He does his thing by driving 40 m.p.h. blind-folded.

Homecoming Parade

STOCKTON'S HOMECOMING MOST SUCCESSFUL

Stockton high school's annual Homecoming Friday was most succesful in every way with the winning of the football game with Plainville probably being the climaxing event. But everything else was most satisfactory also, startng with the bonfire, rally and snake dance down town the evening preceding the game. Friday afternoon, there was a large crowd on the street to see the parade which was an excellent one with the superb marching band going through some of its maneuvers, along with members of the pep club, the football boys riding on a big truck, the queen candidates riding in convertibles, and the floats from the four classes. Everyone seemed to think the floats were the best ever and the judges had a difficult time making their selections. The freshman float depicting "Snoopy" taking aim at a Cardinal (red bud) won first honors, followed by the senior float on which lay a huge very much mauled red bird. The junior float came in third with a girl depicting a Tiger football player being charged by a huge battery, and the sophomores were last with their satelite.

Although it was a chilly evening, the large crowd thoroughly enjoyed the extra fine halftime show which featured the crowning of the King and Queen. The band, which was under the direction of drum major Yvonne Sammons that evening, outlined a huge heart into the center of which marched the King and Queen, Rick Sanders and Pam Dean, and their attendants, Gary Scott and Beck Melton and Gale Maddy and Cindy Lowe, and played appropriate music preceding the ceremony. The little crown bearers, Matt Miller and Cindy Reed, presented the queen crown to the king who crowned his queen and the king's crown to the queen who crowned her king. Following the ceremony, a very fine program was given by the band using music from various fields of entertainment, and the twirlers and pom pon girls had several fine routines. Chuck Look did the announcing for the program.
